#### Description of Work

The primary purpose of this position is to provide comprehensive public health education and health coaching to individuals living and/or working in Beaufort County. This position will be the lead health educator and program coordinator for substance misuse, syringe exchange, harm reduction, tobacco cessation, Faithful Families, lay leadership, and employee wellness programs. Duties will include coordinating, planning, organizing, implementing, and evaluating these programs.

General health education and promotion duties include outreach, health fairs/community events, creating health education programs for community partners and/or the public, and assisting with the Community Health Assessment and State of the County Health Reports. Position serves as the backup health educator for the PREPare for Success sexual health, school-based education program.

#### Minimum Education and Experience Requirements

A master's degree in public health education; or graduation from a four-year college or university with a major in health education and two years' experience in public health education or a related field; or graduation from a four-year college or university and three years' experience in public health education; or and equivalent combination of education and experience.

#### License Requirement

- Valid driver's license

#### Knowledge and Skill Requirements

- Considerable knowledge of the principles and practices of public health and public health education activities.
- General knowledge of modern educational theory and techniques in the field of public health education.
- General knowledge of journalistic principles and methods of preparing subject matter in the promotion of public health activities.
- General knowledge of display techniques and skill in the arrangement of exhibits.
- Ability to work effectively with people on all educational levels and to maintain effective working relationships with local health departments, community agencies, and the public.
- Ability to write and speak effectively and to stimulate interest and cooperation among various groups in carrying out a program in public health education.

#### Benefits

- Annual, Sick leave, Paid Holidays
- Health, Life, and Dental Insurance
- Supplemental insurance options (Vision, Cancer, etc.)
- Local Government Employee's Retirement System and 401k

**Pre-employment drug screening, background check, driving record, and/or credit check will be required as a pre-condition of employment. Beaufort County is an Equal Opportunity Employer.**
